EXPERIENCE

Front End Developer, CFT   **April 2025 – Present**

• ...

Tech Stack: ...

Full Stack Developer, Tasty Franchise   **January 2024 – March 2025**

• Developed an internal product for automating franchise restaurant inspections, reducing inspection time and improving quality control transparency.
• Implemented authentication with a role-based access model (inspectors, administrators, etc.), ensuring flexible access management.
• Built an admin panel for configuring inspection forms, reducing dependency on developers when modifying evaluation criteria.
• Automated report generation, accelerating the data processing workflow.
• Maintained and improved existing company projects, ensuring their stability and enhanced functionality.

Tech Stack: TypeScript, React, React Router, Redux, React-Redux, Redux Toolkit, Tailwind CSS, Express, PostgreSQL, Docker, NGINX, Vite

EDUCATION

Bachelor's degree, Law   **September 2020 – July 2024**

The Russian Presidential Academy of National Economy and Public Administration (RANEPA)
